GENERAL CONTRACTUAL CONDITIONS

Art. 1 – EVENT DATE/TIMES

The BMT, Mediterranean Tourism Exchange, organized by Progetta srl, Via Vannella Gaetani 27 – 80121 Naples, will be held in Naples from March 3 to 5, 2027, at the Mostra d'Oltremare Exhibition Center. Stands must be ready and open to visitors by 9:30 AM on March 3, 2027, and must not be vacated before 3:00 PM on March 5, 2027.

Art. 2 – REGISTRATION 2.1 Participants – Obligations

Exhibitor registration requests must be submitted to Progetta srl using the "Exhibition Space Reservation" form and will be accepted until all available spaces within the exhibition area are filled. The Organization reserves the right to refuse, at its sole discretion, requests deemed inconsistent with the aims and spirit of the event. The registration form must be completed with a deposit. By signing the registration form, the Exhibitor undertakes to participate in the event, with only one brand, in the stand assigned to them and accepts without reservation the Event Regulations, the technical standards and provisions, and any additional requirements that may be adopted at any time by the Organizing Secretariat in the interest of the event. The Exhibitor is prohibited from assigning or subleasing their space, even partially, without the prior written approval of Progetta. Violation of this prohibition will result in the payment of a penalty of €1,000, in addition to the registration fee for each hosted company.

2.2 Disclaimer of the Organization

The Organization declines any liability that may arise, to any person, from actions attributable to participants in the Event, including with respect to compliance with the provisions governing the Event itself.

Art. 3 – PAYMENTS

The deposit must be paid at the time of booking. **The balance of the participation fee and additional services must be paid no later than 40 days before the event start date.** Failure to pay the balance will result in the organizers canceling the registration and retaining the amounts and making free use of the spaces.

Art. 4 – CANCELLATION POLICY

Exhibitors may cancel their reserved spaces up to 120 days before the event by sending a registered letter or certified email (PEC) without penalty. Any cancellation received by the organizers using the aforementioned methods after 120 days but within 90 days of the event will result in the organization being charged a penalty for expenses incurred. This penalty will be calculated as a lump sum of 30% of the total amount due by the exhibitor. After 90 days from the event, the Secretariat acquires the right to retain any amounts paid and collect any amounts owed by the withdrawing company, and to dispose of the reserved areas at its discretion. This is without prejudice to any legal action for the recovery of the full stand fee and any damages.

Art. 5 – STAND ALLOCATION

The location of the stands will be determined by the Organizers, who will, to the extent possible, take into account the requests and needs of the Exhibitors. The Organizers reserve the right to change the stand assignments if necessary for technical, organizational, sector-specific, or other reasons. Exhibitors accept the assigned stands.

Art. 6 – CATALOGUE DATA

The data reported in the catalog will be carefully transcribed using the appropriate form on sheet 1. Any errors or omissions will not give rise to any type of refund or compensation.

Art. 7 – CANCELLATION OF THE EVENT DUE TO FORCE MAJEURE

If, due to force majeure or for reasons beyond the control of the Organizer and/or if the competent authorities prevent the regular conduct of the Event due to factors related to the health or earthquake emergency, the exhibitor agrees that the amounts paid as a deposit and/or balance of the participation fee will be set aside and used, under the same conditions, for participation in the next edition of the trade fair.

ART. 8 – DISTRIBUTION OF ADVERTISING MATERIAL, VIDEO, AUDIO, AND ANIMATIONS

Any promotional activities must not disrupt the regular conduct of the Event and may be suspended at any time at the discretion of the Organizers. The Exhibitor remains fully responsible for any actions taken, including the obligation to obtain authorizations and pay taxes and royalties. Any type of sale to the public with immediate delivery is prohibited.

Art. 9 – RISK INSURANCE

The Organizers decline all liability for natural hazards and force majeure. Exhibitors are required to be insured against all risks, including theft and fire, or to declare that they will not exhibit material requiring insurance coverage. Exhibitors may take out insurance with any insurance company. The exhibited material will be monitored only by the Mostra d'Oltremare's regular security services, as no specific surveillance is provided. Therefore, during setup and dismantling, special attention is recommended to be paid to valuable material such as monitors, computers, furniture, special panels, and the like.

Art. 10 – SETUP AND DISMANTLING OF FURNISHED STANDS

The customization of the furnished stands must take place on Tuesday, March 2, 2027,

from 10:00 AM to 6:00 PM. The dismantling of the furnished stands is permitted from 6:00 PM to 8:00 PM on Friday 05/03/27 and from 8:00 AM to 12:00 PM on Saturday 06/03/2027. The dismantling of stands set up on free surfaces must take place exclusively on Friday 05/03/27 from 6:00 PM to 8:00 PM and on Saturday 06/03/27 from 8:00 AM to 6:00 PM. Any exceptions to these provisions must always be authorized exclusively by the Organizer. Valuable material may be deposited in the Exhibitor Secretariat warehouse at the fair on Friday 05/03/27, and must be collected no later than 12:00 PM on Saturday morning 06/03/27. Any material not collected at the fair, in the pavilions, or from the Secretariat within the established timeframe will be considered abandoned and the exhibitor will be charged for the related disposal costs.

Art. 11 – EXTRA EQUIPMENT

It is necessary to check with the organizers to determine the possibility of installing any equipment or support in the requested and/or booked space. The organizers reserve the right to change the location of the stand for technical reasons if the installation of specific equipment so requires. Exhibitors who will independently provide any technical support are required to notify the organizers at the time of booking, so that they can verify their compatibility with the location of their space within the fairgrounds. They are also required to provide the total power consumption and type of electrical connection and to pay the applicable costs for connections and utilities.

Art. 12 – SETUP AND DISMANTLING OF OPEN AREAS

Exhibitors in open areas may access the venue to set up their stands from Sunday, February 28, to Tuesday, March 2, between 08:00 and 20:00. Dismantling of self-built stands on raw space must take place on Friday, March 5, from 18:00 to 20:00, and Saturday, March 6, from 08:00 to 20:00. Valuable items may be deposited at the secretariat's storage area on March 5, 2027, provided they are collected no later than 12:00 on the morning of Sunday, March 7, 2027. Any material not collected by this deadline will be considered abandoned; disposal costs for materials abandoned after March 7, 2027, will be charged to the exhibitor. Exhibitors purchasing raw space are required to submit the detailed design plan for their intended stand setup at least 30 days prior to the start of the event. The setup must comply with the event layout and be approved by the technical department. Authorization from the organizers must be obtained before commencing setup; failure to adhere to the agreed layout will result in a requirement to dismantle any unauthorized structures. The organizers reserve the right to modify the event layout dimensions if necessary for technical or safety reasons.

Art. 13 – RETURN OF SPACES

Stands must be returned in the same condition in which they were received. Any restoration costs are the responsibility of the Exhibitor, who is also responsible for compliance with the special rules for the use of the structures and technical equipment.

Art. 14 – POSSIBLE AMENDMENTS TO THE REGULATIONS

The Organization reserves the right to amend these regulations if, after their drafting, circumstances or reasons arise that make such amendments necessary.

Art. 15 – OTHER INFORMATION

Without prejudice to all special rules and provisions regarding gatherings in public spaces, it is forbidden to light fires and bring in explosive materials, detonating, smelly, or otherwise dangerous products that could cause damage or disturbance. Any other information not covered by the regulations may be requested from the Progetta secretariat. Any complaints of any kind must be submitted to the Secretariat in writing within 7 days of the end of the Event.

Art. 16 – COMPETENT COURT

Any dispute will be subject to the exclusive jurisdiction of the Court of Naples.
